# THEY TRUST pathfndr

Thomas Cook (India) Limited (TCIL) is a >\$800 Mn, leading omnichannel travel company in India, with Fairfax Financial Holdings as the primary investor

SOTC Travel Limited established in 1949, is a step-down subsidiary of Fairfax Financial Holdings.

## How Pathfndr is Helping Them

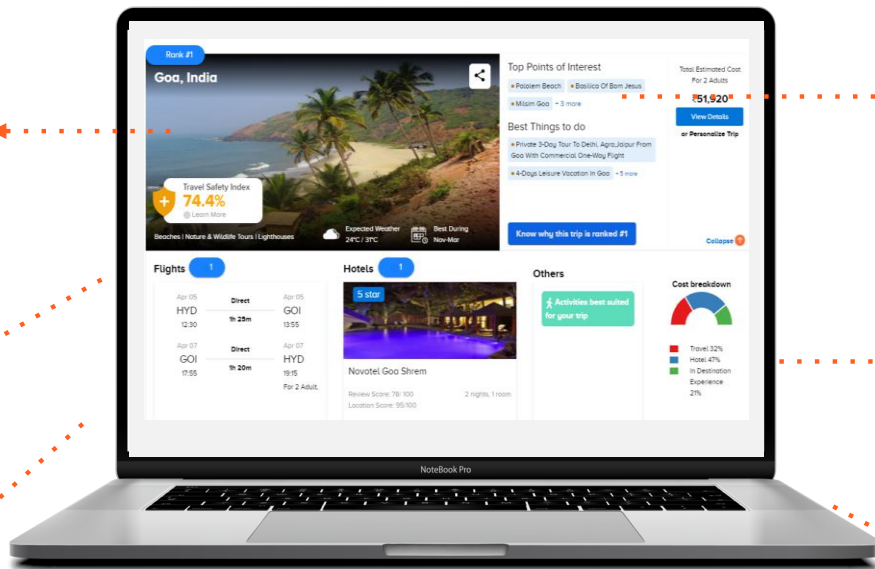

Pathfndr's **Enterprise Solution** integrates seamlessly with Thomas Cook + SOTC ("TCIL") CRM and helps to create Intelligent Dynamic Holiday Packages for their customers.

FIT Packages, which would take between hours to a few days will now be done in a matter of minutes and help to reduce turnaround time, increase lead conversions, bring more flexibility to packages.

The system uses a combination of TCIL's contracted inventory and Pathfndr powered inventory to deliver customer delight and deliver a planning and booking experience in a fraction of the time it takes currently.

# HOW YOU CAN REINVENT YOUR BUSINESS

# INSPIRE ON YOUR B2C PLATFORMS

Create a more immersive Inspiration experience by providing contextually relevant inspiration --- factors in travel desires, trip dates and holiday budget to find the best experience!

Instantly create a full end-to-end trip to **make the holiday real.**

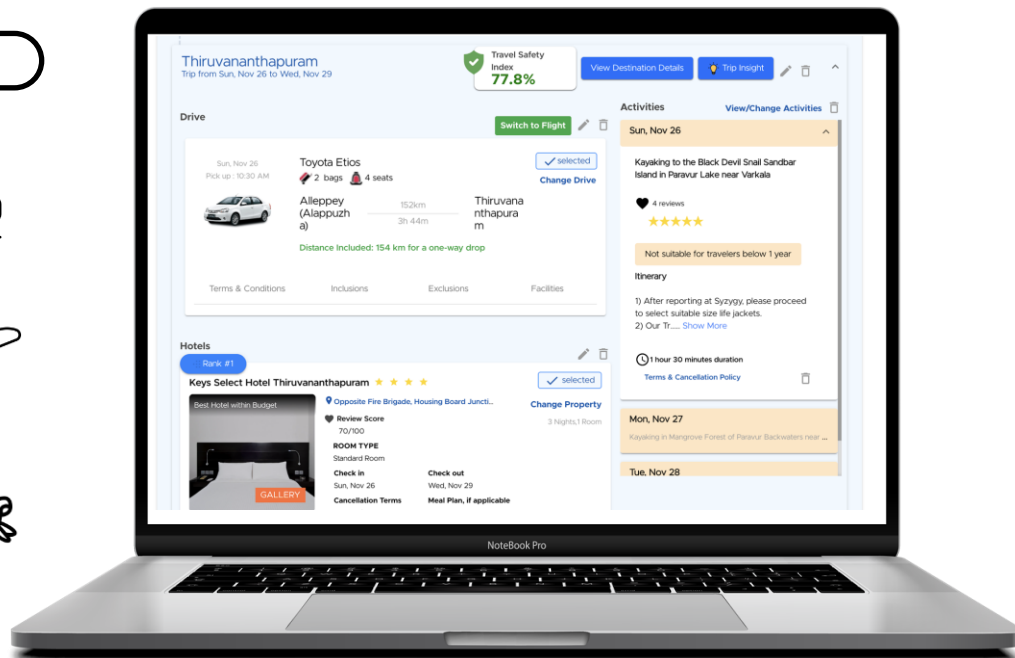

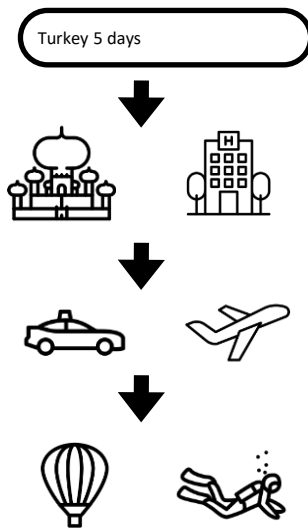

# PLAN & PERSONALIZE THE CONNECTED TRIP WITH YOUR TRAVEL EXPERTS

Selecting a destination is the start

What is the traveller destination?

What is the mode of transport of the traveller

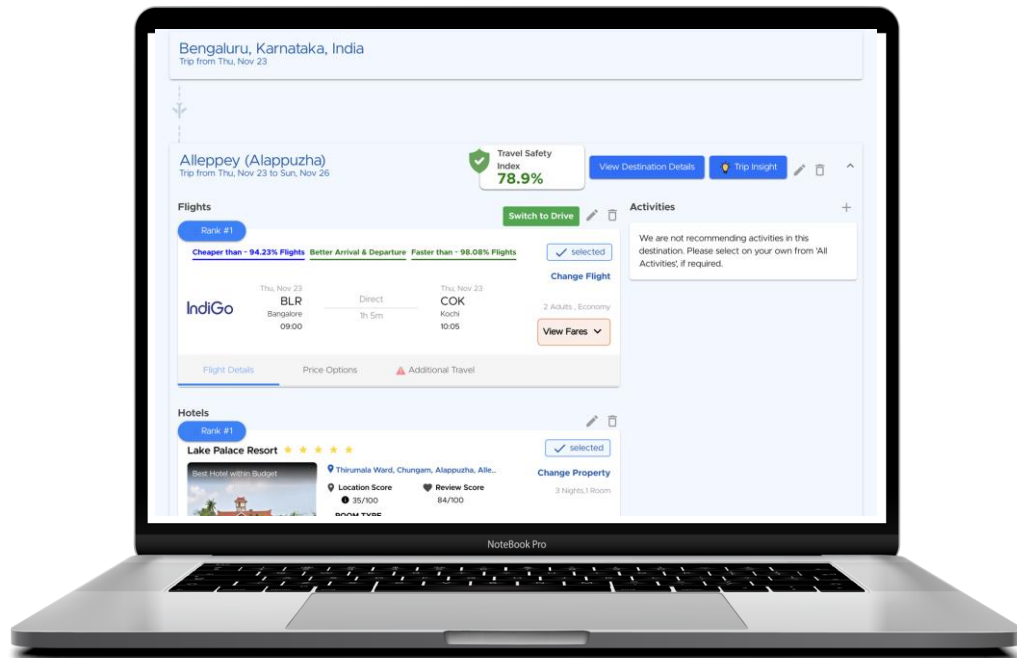

What are the activities I can suggest to optimize for time, budget & popularity

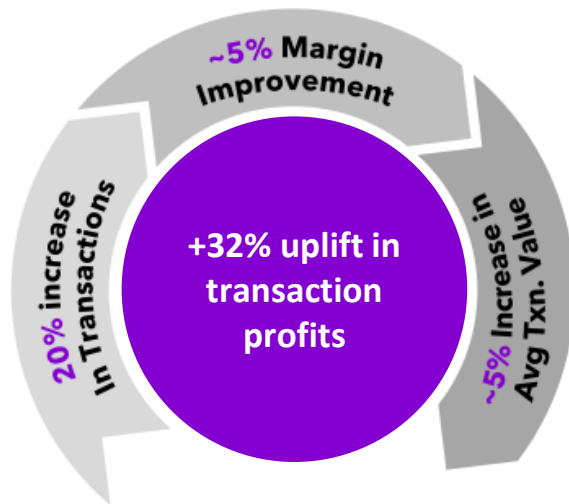

# PLAN END-TO-END MULTICITY TRIPS IN MINUTES INSTEAD OF DAYS

Multicity trips increase the complexity of a travel plan exponentially.

Pathfndr makes that easy. In 60 seconds, create a complete multicity trip optimized for travel, stay and activities.
